NPIC/TSG/ESD-006/71
10 February 1971

MEMORANDUM FOR: Chief, Special Contracting & Procurement Branch, SS/NPIC

SUBJECT : Acceptance of [] Split-Format Light Table (MLT-1540)
Serial Number 001

REFERENCES : 1) NPIC/TSG/RED/SDB-002-71, dated 26 January 1971,
Acceptance of the First Unit of the Production []
1540 Light Tables

2) Speed Letter to SC&PB from ESD dated 31 December 1970,
and Attachment 1 thereto entitled List of Contractural
Defects on Table Ser. No. 001

Correction to: List of Contractural Defects on Table
Serial No. 001 dated 31 December 1970; item 12 therein;
this correction dated 10 February 1971

1. The [] Split Format Light Table (MLT-1540) Serial Number 001
is judged acceptable under the terms of the Technical Requirements for the
Production of the [] Split Format Light Table (MLT-1540)
and Mount for Various Microstereoscopes.

2. As stated in References 1&2, the [] MLT-1540 has met the con-
tractural specifications provided for the production of this item.

3. The certification that no damaging ultra-violet radiation emanates
from the table has been provided and is acceptable to TEB/ESD/TSG.

[]
Chief
Engineering Support Division, TSG
